

Pro Ag Committee, thank you  
for choosing me to receive  
the Jan Roker Memorial  
Scholarship. I'll always  
remember Jan through 4-H  
and farming. He has had  
a great impact on my  
pigs and by being nice. He  
was extremely kind by  
giving us part of his barn.  
Thanks for making college  
easier.

Thanks,  
Sam

Dear ProAg of Renville County -

Thank you SO much for awarding me with a scholarship! It is a true honor to be one of the seniors chosen for this scholarship. I will be furthering my education at the College of Saint Benedict, where I will be majoring in elementary education. Thank you once again!

Love, Emily Sheehan

Dear Pro Ag,

Thank you for sponsoring Jessica and I on our CWF trip for 4-H. We had the opportunity to write bills with the fellow 4-Hers from 11 different States, and vote on these bills. We visited every memorial in D.C. and also went to a Twilight Tattoo Military Show, where we saw every branch of U.S. Military. As an action plan for this trip, Jessica and I are going to implement mental health resources in our schools.

~Sincerely, Jessica B. and Augusta G.

Thank you for choosing me as a recipient of the Pro Ag of Renville County 2018 Scholarship.

It is with great honor to receive this scholarship. I will be using this scholarship to help fund my college at MN West Jackson.

Thank you again,
